

SNELLMAN-GROUP'S ELECTRONIC BILLING ADDRESSES

Dear Supplier,

The companies within the Snellman Group can receive electronic invoices from abroad. Our aim is to receive only electronic invoices and we kindly ask you to take this billing method in use. Electronic invoicing makes the processing of invoices more efficient and brings cost savings both for the sender and the recipient.

The table below provides you with information on our electronic invoicing addresses.

Vastaanottaja	Y-tunnus	ALV-numero	OVT-tunnus

Our operator is Apix Messaging Oy and their operator code is **003723327487**

It is very important that the invoice contains valid reference information. Accurate information on the invoice ensures a short processing time and payment on time. Following reference information is mandatory on your invoice:

- Contact person in Snellman/ the name of the person who placed the order.
- Other requested information such as project name or number.
- Purchase Order Number
- Contract number

Invoices can alternatively be send in PDF-format to the address: pdfinvoices@snellman.fi.

Please note that any paper invoice sent through the postal mail, will not be processed, and not taken into our purchase invoicing system.

We are happy to assist you with any questions regarding invoicing at: ostolaskut@snellman.fi.

For further information and technical support regarding e-invoicing, please contact our operator Apix Messaging Oy at: servicedesk@apix.fi or phone: +358 9 4289 1324.
